## Vision

In pursuit of creating competitive environment to produce ever evolving pharmacist

## Mission

- To achieve highest standard of infrastructure in the practice of pharmacy
- To nurture students through innovative outcome based learning.
- To Strive for excellence in research and collaboration
- To pay back to society through meaningful services
- To provide lifelong learning opportunities in pharmaceutical science

## Pharmacist's Oath

- I swear by the Code of Ethics of Pharmacy Council of India in relation to the community and shall act as an integral part of health care team.
- I shall uphold the laws and standards governing my profession.
- I shall strive to perfect and enlarge my knowledge to contribute to the advancement of pharmacy and public health.
- I shall follow the system, which I consider best for pharmaceutical care and counselling Of patients.
- I shall endeavour to discover and manufacture drugs of quality to alleviate sufferings of humanity.
- I shall hold in confidence the knowledge gained about the patients in connection with professional practice and never divulge unless compelled to do so by the law.
- I shall associate with organizations having their objectives for betterment of the profession of Pharmacy and make contribution to carry out the work of those organisations.
- While I continue to keep this oath unviolated, may it be granted to me to enjoy life and the practice of pharmacy respected by all, at all times!
- Should I trespass and violate this oath, may the reverse be mylot!

*“We do many  
College Parties, but  
Freshers Day is  
Something  
Special”*

## FRESHER'S PARTY

The campus was boomed with high energy on celebrating Fresher's Day on a high note. The Second year students accorded a warm welcome to the first year students. The young new entrants walked into the college with jeers and sneers. The day began with auspicious lamp lighting ceremony and prayers to the Goddess Saraswathi. The occasion was graced by the presence of Dr. Ganesh Tapdiya, Principal of Shreeyash Institute of Pharmaceutical Education and Research. He inaugurated the event by welcoming the new students then addressed the gathering by stating "if you don't go after what you want, you will never have it. If you don't ask the, answer is always no, if you don't step forward you are always in the same place".

He advised them to find the hidden opportunities and fulfill their dreams. The Senior students arranged cultural events and it was a friendly atmosphere. The galaxy of the performances fascinated the audience and filled zeal the hearts of everyone and led towards healthy relations among the seniors and juniors which was impetus to maintain further relations farther. We got Mr. Fresher as "Ganesh Rase" and Mrs Fresher as "Janvi Shelar" for their outstanding performance. Day ended with Teachers message by congratulating the seniors for their performances and All Teachers pointed that Fresher's day is a memorable moment in the students' life and he encouraged the students to excel in their studies and extra curricular activities.

## HR GHR TIRANGA

## **'AZADI KA AMRIT MAHOTSAV'**

Azadi Ka Amrit Mahotsav is an initiative of the Government of India to celebrate and commemorate 75 years of independence and the glorious history of its people, culture and achievements.

This Mahotsav is dedicated to the people of India who have not only been instrumental in bringing India thus far in its evolutionary journey but also hold within them the power and potential to enable Prime Minister Narendra Modi's vision of activating India 2.0, fuelled by the spirit of Aatmanirbhar Bharat.

## **NSS**

A platform to serve for nation, to all the students for improving confident, leadership & knowledge of the society from different walks of life "Not Me But You". Our college has approved Self Financing unit of The National Service Scheme (NSS). NSS is a voluntary and value-based student youth program schemes being operated under the Ministry of Youth Affairs & Sports govt. of India. The Scheme was launched with the primary objective of developing the personality and character of the student youth through voluntary community service, social works and awareness programs.

*"Trees are the Root our Existence  
So do plantation"*

## FREE HEALTH CHECKUP

## APTI-ASSOCIATION OF PHARMACEUTICAL TEACHERS OF INDIA

An association found by the pioneers of Pharmacy education in India in 1966 by leading personalities like Prof. M. L. Schroff, Prof. G. P. Srivastava and others, has come a long way in creating better intercommunication and promotion of excellence in pharmacy education. Through its tailor-made mission and objectives, the association has provided a single platform in bringing together teachers of pharmacy education from all over the country. This has helped in the achievement of excellent standards and to develop new technological methods in pharmacy education through the exchange of views amongst the teaching members.

## ***ULTRA MODERN INFRASTRUCTURE***

The institution is well-equipped and maintains high standards for its infrastructure, which is regularly examined and upgraded to reflect the most recent developments and trends in line with the best practices for academics and research. The institute's building is well-designed. To provide cutting-edge instruction and training, a large instrumentation room is built separately with a variety of advanced analytical tools and state-of-the-art facilities. Classrooms that are spacious, well-ventilated, and equipped with digital audiovisual technology offer every student a great learning environment. All of these amenities significantly contribute to creating the ideal environment for academic sedulousness.

## OUR TIE-UPS & MoUS

## ALUMINI SPEAK

Gaurav Kale  
Here GAURAV PRAKASH KALE  
2021-B pharmacy passout.

I'm really happy to share the good and best thought about the SYIPER who has given unforgettable memories and best upcoming days to me. I just wanted to tell about the knowledge which ever getting in SYIPER is really a best one rather than the other nstitute. Not only about the knowledge but also different event, annualy show and the good webinar/seminar for educational purposes conducted by the SYIPER. I'm always be thankful to the all teaching and mangement staff to co-operate us and your best advices.

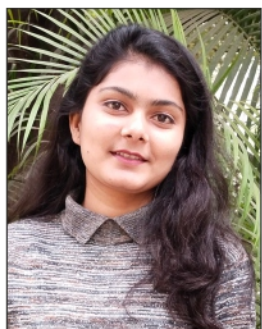

Hello Sir, Im Sunil dongre, B Pharm 2018-2022 Batch, I'm writing this mail to share my college experience. College Infrastructure It has all the facilities like wifi enabled computer labs with classrooms with projectors for better learning. The teachers here are very qualified and experienced. They help us in every possible way no matter if it is a syllabus related issue or any personal issues. Placements The Institute is also focused on industrial visits and opportunities to interact with Industry Experts. Value-for-money The cost is very flexible and affordable if you'll compare it with other colleges so the fees is totally the worth

Shreeyash Institute Of Pharmaceutical Education And Research is professional institute for Degree And Diploma In Pharmacy.. institute is Blessed With Nature Itself.. Faculty Friendly and Ofcourse expert In Respective Subjects... College Conduct Various Activities, industrial Visits, Cultural Prograame, Instrumentions Handling Workshops to Develope Overall Curriculum of Student...

- Vaibhavi Vikram Karhade

Hi i am Anushree kute  
Our college is the best college. We feel very great. Here we are getting good support for our good future. Everything available for students. The campus is full of facilities .

## ALUMINI SPEAK

Hello everyone,  
Akash Jadhav here  
Pass out 2022.

While the purpose of college is to get an education, it is also a unique and unforgettable time, with memories that will last for a lifetime. As you leave that school life behind, you're probably carrying much more around with you than just a shiny new degree. Most students in their final year have many memories of college life. We miss college days quotes and memories will help you summarize your experience on campus in a few words.

Hii,  
I am Onkar Limkar from shreeyash institute of pharmaceutical education and research 2021-2022 batch.  
My experience in this college was awesome. This college is in such a lovely area and the campus is beautiful. It has everything you need on a college campus and has good transport facilities.

Hi, This is me Ramkesh jangid 2021-2022 Syiper is in such a lovely area and the campus is absolutely beautiful. It has pretty much everything you could need on campus, and has good transport links for buses and other transport facility. vaccinations being available on campus as well as free testing. they take you out for tournaments to their group campus and sports club so you don't feel like something missing overall I'm happy here and I wouldn't change my decision to be part of this college. The interaction between students and teachers was excellent and all teachers have a very helping and supportive nature.

College life are the best part in every person's life. College life is a time full of experiences and learning many new things . It becomes a place where a person has many things that define a person, there is no doubt that the time spent in our college becomes the best time for our lives
