In pursuit of creating competitive environment to produce ever evolving pharmacy

MISSION

- ▶ To achieve highest standard of infrastructure in the practice of pharmacy.
- ▶ To nurture students through innovative outcome based learning
- ▶ To provide lifelong learning opportunities in pharmaceutical science
- ▶ To strive for excellence in research and collaboration
- ▶ To pay back to society through meaningful services

ABOUT US

All of us have the option of leading a meaningful and rewarding life full of excitement or an apprehensive one the decision that we take at this juncture shall affect us forever. We at Shreeyash Pratishthan have chosen the former path through our "MISSION EDUCATION" slogan and in a spiritual sense we have decided to positively impact and improve the life of the less privileged in the society.

It is very rewarding to see our graduates benefit not only from the career choices but also understand their own hidden talent that our competent staff has exposed.

Quality education occupies the central stage to accelerate social progress and economic growth coupled with a cohesive industry academic interface through research.

This ability of putting theory into practice makes our graduates an asset for employers the world over. On behalf of all members of our staff and learned instructors, I welcome you to Shreeyash Pratishthan's technical campus where great learning is a regular feature.

COME JOIN US AND BE A PART OF IT.....

Prof. Bhagyashali J. Pawar
Principal

Shreeyash Institute of Pharmacy

Welcome to the wonderful and exciting world of Pharmacy. Pharmaceutical Industry is one of the biggest human service Industry, closely associated with the health of all living beings. Doctors can not help the patients without medicines.

No health service including surgery, nursing or Physiotherapy is possible without medical devices or other medical agents.

All these are prepared, handled, distributed by pharmaceutical industry. We at Shreeyash Institute of Pharmaceutical Education & Research, will train you to be a responsible and technically skilled part of the Pharmaceutical field. I assure you that it is indeed a wise decision you are going to take and promise you that it will change your life for ever for good.

First of all I Congratulate and welcome to Shreeyash Institute of Pharmacy, It is the one of the Reputed and Fastly growing Pharmacy Institute in Historical city of Aurangabad. College has been started in the year 2016 with a goal of producing Pharmacists for the 21 st Century to meet the global needs of various Health care Department, to promote Entrepreneurship Qualities amongst the students of Institute. All laboratories are provided with sophisticated Instruments and Machinery which are sufficient for Pharmaceutical Education and Research. Our mission is to provide motivated, skilled and competent manpower catering to the needs of the Pharmaceutical industry, Hospitals and Community Health Care Systems.

Editorial Board

Associate Editor

Mr. Amol Lonarkar

Asst. Professor

★ **CHIEF EDITOR** ★

Mr. Balaji Suryawanshi

It gives me great pleasure to welcome you to the first edition of Shreeyash Pharma Bulletin (e-newsletter) which I have acted as Associate Editor. The objective of this very first edition is to establish a bridge between college activities (which include curricular and co-curricular etc.) and various stakeholders. Our efforts are to communicate institutional academic, research, cultural and sport achievements half yearly to all. Our emphasis will be on industry-institute interaction activities, guest lectures, seminar, workshop/conferences as well as social welfare activities under NSS unit which symbiotically nourish students overall development alongwith continuous trend of our academic excellence.

A communication is complete when it turns into an act of interaction. We encourage all readers and welcome their suggestions for continuous improvement in every aspect of this e-newsletter

We celebrated Azadi Ka Amrut Mahotsav Which was held on 23rd March 2023 through out Maharashtra.

Total 75 Colleges were participated from 36 District. Out of 75 colleges our college has been awarded as a best performer.
